## General Rules and Exhibitors Information

1. Each exhibitor must prepare a list of plants and other exhibits with the appropriate Section and Class numbers to facilitate the work of the Entries Committee. The Flower Show Committee will assist in identifying material unknown to the exhibitor. **A computerized entry system will be used, and an entry form will be included in a chapter newsletter. Exhibitors must submit their pre-entry forms in advance, by email or postal mail, to: Joe Svitak <jamjoe41@gmail.com>, or mail to: Joe Svitak, 85-51-169<sup>th</sup> Street, Jamaica, NY 11432-2629 to arrive no later than Thursday, March 28, 2024.** Your cooperation will help expedite the actual entries process for everyone.
2. All plant material must be free of insects and disease. All entries will be inspected, including those for exhibit only.
3. Entries shall be in accordance with the schedule and must be approved by the Classification Committee. Nonconformity to schedule may result in disqualification.
4. Entries will be accepted only during the hours specified. An exhibitor may request that an entry be accepted for exhibit only. Educational information should be provided where appropriate. These entries, and any arriving after the close of Entries, will be placed in a separate area of the showroom for exhibit only and will not be judged.
5. Exhibitors need not be members of the LI Gesneriad Society or The Gesneriad Society.
6. All entries will be staged in the showroom by the Placement Committee. Collections and artistic entries may be placed in the showroom by the exhibitor in the space designated and during the stated time for entries.
7. In fairness to amateur growers, institutions may not make more than two entries in each of the Horticulture, Artistic or Arts Divisions of the flower show. The same restriction applies to commercial growers whose employees assist with the culture and grooming of potential entries.
8. Classes may be subdivided or consolidated at the discretion of the Show Committee after entries close.
9. No entries may be removed from the showroom until the show closes. All entries must be checked out through the Show Committee.
10. Standard competitive judging, as established by The Gesneriad Society, will be used.
11. Awards will be made according to the following point scores: 1st, blue ribbon (90-100); 2nd, red ribbon (at least 80); 3rd, yellow ribbon (at least 70). Honorable Mentions may also be awarded.
12. Special Awards (more than a class ribbon) are reserved for LI Gesneriad Society and/or The Gesneriad Society members of record at the time of Flower Show entries, unless specifically offered to nonmembers. An exhibit must score 90 or above to be considered.
13. Awards for Best and runner-up to Best Gesneriad in Show in Division I, (excluding *Saintpaulia* hybrids) are given for horticultural perfection. The award for Best Gesneriad in Division I is reserved for members of The Gesneriad Society. The award for runner-up to Best Gesneriad in Division I and those for Best in Divisions II and III are reserved for LI Gesneriad Society and/or The Gesneriad Society members of record at the time of Flower Show entries. Exhibits in all Divisions must score 95 points or higher to be considered for these awards.
14. Sweepstakes and Runners-up to Sweepstakes awards for any Division require a minimum of three blue ribbons in a Division to be eligible. These awards are reserved for LI Gesneriad Society and/or The Gesneriad Society members of record at Show entries time.
15. **No photography of any type is permitted while judging is in progress .**
16. The LI Gesneriad Society will endeavor to protect all entries, but assumes no responsibility for loss or damage.

## Additional Horticulture Division Rules and Information

1. All plants must be grown by the exhibitor and have been in the exhibitor's care for at least 3 months prior to the show.
2. An exhibitor is limited to one specimen of the same plant per class. An exhibitor may submit more than one entry per class, provided each entry is a different cultivar, unless otherwise prohibited.
3. Exhibitors will be permitted to indicate the front of a horticulture entry.
4. No particular type of container is specified; however, all containers used must be clean. A protective container or cover made of transparent material to shield delicate plant material from dry air or cold drafts may be used for any exhibit requiring it. Such plants may be judged uncovered.
5. An exhibitor may provide educational information on a white 3"×5" card for any entry, if desired.
6. All exhibits in flowering classes must have at least one fully opened flower.
7. Seed pods or fruit (not spent blossoms) are permitted on all gesneriads entered in the Horticulture Division. The exhibitor should realize when entering a blooming plant with seedpods or fruit that some judges could find these an enhancement of, or detract from, the plant's appearance.
8. Entries in Classes 27-30, *saintpaulia* cultivars, will be classified according to AVSA standards.

## Additional Artistic Division Rules and Information

1. Gesneriads must predominate.
2. While *saintpaulias* are permitted in all artistic classes, the use of other gesneriads is strongly encouraged.
3. Other live and dried plant material is permitted but no artificial plant material is allowed.
4. Plant material used in the Artistic Division need not have been grown by the exhibitor.
5. All plant material used is to be identified on an accompanying 3"×5" white card. Supplemental titles or descriptions may be added but are not required.
6. Accessories are optional unless specifically required.
7. Table covers and niches will be neutral in color. Exhibitors may provide additional background.
8. Cut blossoms or plant material may be placed in artistic arrangements on Saturday morning from **8:30 to 8:45 a.m.**
9. "Dimension" refers to the linear measurements of height, width and depth only.
10. Straight-sided terrariums are composed of flat pieces of glass or plastic; curved terrariums have rounded pieces.
11. All niche sizes stated are for space dimensions allotted. Actual niche side wings are roughly one half the size stated.

## Additional Arts and Educational Division Rules and Information

1. All entries must have been made by the exhibitor and feature gesneriads in some form.
2. Entries must not have been exhibited before in any LI Gesneriad Society show.
3. Photography: The exhibit is being judged on the skill, technique and composition displayed, not on the quality of the plant material chosen as a subject, **except for Class 64.**
4. Educational exhibits may be entered by institutions, chapters, study groups or individuals. In Class 70, any project relating to gesneriads must combine illustrative materials with live plants.
